

Our 8 Best Choices When Buying A Gun Cleaning Kit

2015-10-25 08:41:16 By Fred Tyrell

Last week we've talked about what you need to pay attention too when [choosing your gun cleaning kit](#) . We looked at the best cleaners, solvents and lubricants, as well as at the things you need to pay close attention too. But what helps me the most is having a good, trust-worthy friend recommending their favorite products.

So today I'm going to be just that for you and we're going to discuss our best choices when it comes to gun cleaning kits.

Keep in mind that when choosing your gun cleaning kit you should always look for good quality tools. These tools should be well made and designed to last under heavy cleaning.

The following 8 cleaning kits are very popular and very useful.

1. Gun Boss

The Gun Boss Universal cleaning kit comes in a portable, molded case with a ballistic nylon shell that fits in the palm of your hand.

- One long and one short cable are included to fit long guns and handguns.
- The T-handle fits both cables.
- Its accessories fit calibers .17, .22, .223/5.56mm, .270/.280/7mm, .30, .357/.38/9mm and .45 plus 20 and 12 GA. shotguns.
- It comes with short action accessories to accommodate smaller ejection ports.
- Also includes an array of adapters and cleaning patches.

2. Outers 28

This all in one kit is the perfect choice for gun owners looking for an inexpensive cleaning system that will not bankrupt your gun cleaning budget. This kit features a complete assortment of gun care products to clean shotguns, rifles, and handguns.

- Durable aluminum rods with quality tips, mops, brushes, are all stored in an attractive wooden storage box with a latch.
- This cleaning kit accommodates the following firearms: .22 - .30 cal. rifles; 9mm, 10mm, and .38 - .45 cal. pistols; and 410, 28 gauge, 20 gauge, 12 gauge, and 10 gauge shotguns.

8. Tipton Ultra

The Tipton Ultra Cleaning Kit was designed for the shooter that wants the absolute highest quality cleaning accessories available in one convenient portable kit.

- The heart of the kit is a Premium 3-piece Stainless Steel Cleaning Rod with multi- bearing handle. The .205 diameter, 40" usable length rod is constructed of 17-4 PH stainless to be extremely durable and resist taking a bend (the problem that plagues most multi section rods).
- The kit features Tipton's 13 piece Ultra Jag Set and 13 piece Best Bore Brush which both deliver industry leading performance.
- Also included is Tipton's innovative Rapid Deluxe Bore Guide Set, which enhances the ability to clean any rifle.
- A variety of picks and cleaning brushes round out the assortment in the kit.
- All components are neatly contained in the molded plastic case with custom die cut foam for organization.
- For use with .22 cal. and larger rifles.

In conclusion, there are some important things to think about when buying a gun cleaning kit and cleaning accessories. What you are looking for is a well made gun cleaning kit that will give you years of good service. The last thing you want is a cheaply made, overpriced gun cleaning kit and cleaning

accessories.
