

18 Quick And Natural Cures For Every Major Cause Of Stomachache

2018-07-16 07:12:38 By Emylee Modestino

Curing a stomach ache can be tricky because of the unknown reasons causing the stomach ache.

A stomach ache is rooted in a wide range of reasons varying from menstrual cramps, indigestion, gastritis, to irregular bowel movement, gallbladder pain and more. Some of the major causes of abdominal cramps include:

- Constipation
- Indigestion
- Flatulence
- Acid reflux
- Infrequent bowels
- Gastric ulcers
- Stomach upset
- Nausea
- Gastritis
- Pregnancy
- Menstrual pain
- Food poisoning and etc.

Elucidated below are a few natural home remedies for tummy troubles. Follow through with any one of the cures described below for quick and effective alleviation of a stomach ache.

Drink Freshly Brewed Aniseed Tea for Curing the Stomach Ache

Aniseed tea is highly effective in [curing stomach aches and cramps](#). It is also effectual for the cure of stomach ache caused by indigestion, flatulence and bloating. It helps to stimulate a healthy appetite and its diuretic nature flushes out the blocked urine and relieves the stomach cramp. Brew a nice warm cup of aniseed tea.

- Add less than half a teaspoon of aniseed powder to a cup of boiling water
- Strain out the drink after five minutes
- Drink it with slow sips to remedy the stomach pain
- Drink this twice a day for the stomach pain to heal quickly

Yoga as an Effective Remedy for Stomach Cramps

Yoga is highly effective for the cure of tummy aches but that does not imply highly active and powerful yoga. Practicing a few floor based yoga postures for about 10-20 minutes can effectively cure stomach cramps. Enlisted below are a few poses that you can practice whether you are at home or outside to get instant relief from stomach aches.

- Child's Pose: This pose reduces muscular stress in the abdomen and brings comfort. It gently stretches the body and compresses the abdomen to release discomfort and get rid of

flatulence.

- Apasana pose: This pose is highly effective for curing bloating and flatulence. Bring your knees towards your chest and wrap them tight with your arms. Breathe steadily and hold your pose for about half a minute. Do this for about 2-3 minutes to cure your tummy troubles.
- Bridge pose: This pose is highly effective in the cure of indigestion and bloating. It also helps to enhance blood circulation and boosts physical energy. Lie on your back, bend your knees and keep them slightly apart with your feet firmly planted to the ground. Lift your torso and hold the pose for about 15-20 seconds with steady breathing. Do this for about 30-34 minutes until the ache disappears.
