

Emergency Preparations To Weather The Winter Storm

There's nothing like a winter storm to ruin your weekend, or even the whole week. And depending on where you live, it might be even longer than that. But, as you can't do anything about the weather to control it, all you can do is prepare the best you can to face its tantrums.

That being said, you probably [insulated your windows frames](#) and [roof](#) by now and made sure [heat isn't leaking](#), but if you wonder what else you could do, here's an infographic to get you started!
