

VIDEO: Primitive Skills and Why You Should Learn Them

While modern day survival can be all high-tech gadgets and cutting edge hardware for the issues you may have, Jason's here to make a case for primitive skills that could get you out of a bind or supplant your modern solutions if they somehow fail.

Using just stones found in a local creek, he shows some examples of primitive methods that will get you out of a tough spot when you need to rely on yourself and make do with whatever's available, which, in a SHTF scenario, is unfortunately likely.
