

VIDEO: The Ultimate Survival Firearm

In this video, Jason Salyer discusses how the versatile shotgun can be used in a number of roles and why that makes it a great option for the one gun that can fulfill many roles.

Depending on the choke, ammunition, and accessories, the shotgun can be used for home defense, predator control, and a wide variety of hunting needs.

Jason covers what you need to know about what makes some shotguns more versatile than others, what ammunition you should stock up on, and why he thinks he would choose a shotgun if he could only have one gun.
