

[VIDEO] Transforming an LMTV into the Ultimate Bugout Overlander – Part 5

Parking brake? What parking brake?

Now, while his “original” parking brake was a bit rustic, seeing as it was literally a log, that’s not the greatest, safest, or most durable solution so Tyler went out and got a new check valve for the brake system from Haldex to bring back function.

But when it rains it pours, and the batteries had no more life left in them, so he went ahead and upgraded those as well, and now he can roll (and stop, too!)
