

VIDEO: What You Need to Know About Hammock Camping

Hammock camping is a great way to get a good night's rest. Backpacking hammocks pack down small, get you up off the ground, and they're perfect for a quick nap or spending the night. In this video, Wes covers a couple of different models that come in at just as many price points.

He'll tell you what you need to use a hammock in a variety of conditions and offer plenty of tips from his extensive experience using hammocks for camping and backpacking. If you're looking for a compact and comfortable shelter that leaves little impact on the environment, don't miss this video.
